Aaron -- Can you easily provide the contractor list for ESO? I know HGL is a consultant for one of the respondents at Keystone, so if they're ESO, they're out.

Don't go crazy if you don't readily have this list. Just say so. I couldn't find one.

Thanks -- Chris

Subject: RAF Multisite Conflict of Interest

All,

You are receiving this email because I need you to provide a list of all responsible parties for your site(s) listed below in order to determine if there is a conflict of interest with any of the ESO contractors and your site(s). If you have a large group of responsible parties for a site please let me know and we can figure out what additional information the contracting officer may need to determine if there is a conflict of interest.

Keystone Sanitation Landfill

Nonresponsive based on revised scope

If you can provide this information in the next few days it would be appreciated.

Thanks,
Aaron Mroz
